The 1960 Alfarata

FOREWORD

Huntingdon, Pennsylvania
May, 1960

To the Students of Juniata College:

The 1960 ALFARATA is dedicated to the 740 students whose lives are pictured on these pages . . . who come each with different expectations . . . who are caught up by the contagion of warmth and friendliness everywhere . . . and who take with them when they leave that same feeling of loyalty shared by all Juniata alumni.

To reach out and capture some of Juniata's exuberance . . . the intense quiet of an absorbed class . . . the laughing gaiety of Totem Inn . . . the fresh damp air after one of Huntingdon's "Monsoons" is not easy . . . but that is what we have tried to do in the ALFARATA. We have tried to capture in pictures and words the elusive spirit of college life . . . that each Juniatian will have it to keep for all time. When you have finished reading the ALFARATA, we sincerely hope that you will be able to say . . . "This is Juniata."

Sincerely,

The 1960 ALFARATA Staff

DR. CALVERT N. ELLIS

PRESIDENT

Juniata's sixth president, Dr. Calvert N. Ellis, is one of whom we may well be proud . . . He is easily characterized by a warm and engaging personality . . . always friendly and sincere to students, both on and off campus . . . His presence and help can be noted at many school activities . . . He is familiar to everyone at J. C. . . . Often his work makes travel necessary and then, too, he thinks of our school by bringing back new ideas and topics . . . His representation is sure to help our school's reputation wherever he goes . . . With his multitude of duties he still finds time to chat with students . . . to attend various social functions . . . and to participate in many of the campus activities . . . We at Juniata should be proud to have such a fine man and willing worker as our president.

Our college deans . . . upon whose shoulders rests the responsibility of keeping Juniata a smooth-running organization . . . our "home away from home" . . .

Dean of the College since 1948, Doctor Morley Mays is known to all Juniatians as one who is never too busy to add an extra duty to his heavy schedule . . . He has earned his doctorate in philosophy . . . Often fills the pulpit of Brethern churches . . . The head of the academic program is a friendly, well-liked member of this college community . . .

An attractive newcomer has been added to our campus . . . Dean of Women, Christine Yohe, has taken over her duties at Juniata with a wealth of experience in this area . . . A charming smile . . . a friendly attitude . . . the love and knack for working with people . . . qualities which have enabled her to win a respected place in the minds of all . . .

In his third year as Dean of Men, Paul Heberling continues to be a friend and willing advisor to all students . . . Director of the placement bureau . . . active in the field of psychology . . . these are only two of his varied duties and activities . . . His understanding . . . humor . . . interest . . . have put him high in the esteem of the resident men as well as all others.

SENIORS, CLASS OF 1960

Dear ALFARATA,

Four short years ago we the senior class of 1960 entered Juniata College . . . accompanied by many apprehensions and expectations. United by the traditional dinks and name cards . . . confused by rules and regulations . . . we embarked on this adventure of adventures.

As freshman we were very active in campus affairs . . . socially, politically, and academically. We went "Blown with the Breeze" for All-Class Night.

Fewer in number but greater in spirit . . . ready to begin in our major field of study . . . we, the mighty sophomores, returned . . . took our turn at initiating the frosh and saw J. C.'s football team go undefeated with the help of many hard-hitting members of our class.

1959 . . . "our year" all the way. We won the Inter-Class Meet and All-Class Night . . . our musical production being "Dear Lindy". The football and cross country teams both went undefeated . . . The fall musical, "The Boyfriend", was the greatest . . . starring several of our class members. We tied with the seniors for Christmas decorations. All added up . . . a wonderful year.

Now we have weathered the storm . . . finals and comprehensives . . . close football games . . . busy Homecoming and May Day weekends . . . important governmental issues. They are all memories . . . some sad, some glad, but all making up the best years of our lives . . . our college days.

Sincerely,

The Class of 1960

JUNIORS, CLASS OF 1961

Huntingdon, Pennsylvania
Dear ALFARATA,

Landing time, September 1958, we invaded Juniata for four exciting and eventful years. Looking back over the years many memories come to mind.

It didn't take long for us to get started. The flu postponed Homecoming and Mountain Day, but it didn't postpone our determination to get rid of regulations. We revolted and won! This growing class spirit and determination led us to another important victory . . . the winning of the All Class Night trophy. Our skit . . . the crucifixion as seen by Peter . . . never to be forgotten by JCer's. Spring brought on a flourish of activities . . . sports . . . our class picnic . . . climax being our freshmen beauties of the May Court. Soon those finals began hovering over us . . . everyone crammed "like mad" . . . we were a bunch of busy and determined frosh!

A summer's vacation of fun, relaxation and manufacturing of that "green stuff," the eager return to see old friends . . . anxious to initiate the new frosh. October and its beautiful foliage provided a pleasant setting . . . our first Mountain Day at Paradise Furnace. Before long, winter was here . . . snowball fights, basketball games, and our Christmas decorations on the porch added to the fun.

And we mustn't forget All Class Night . . . Remember those two JC'ers who got lost on Huntingdon's one way streets and ended up in Nome, Alaska? Then senate elections . . . May Court . . . the end of another busy year at J. C.

Now at the end of our junior year we see it as a year filled with new experiences . . . conscientious study . . . plenty of fun. With one more step remaining in our college career . . . may it be as successful as those past.

Sincerely,

The Junior Class

SOPHOMORES, CLASS OF 1962

Huntingdon, Pennsylvania

Dear ALFARATA,

Here it is the end of two successful years at Juniata . . . We've come a long way from the day we stood in front of Founder's . . . gazing about the campus . . . wondering where next to go. Let's take a look back over these years and rediscover some of the episodes that highlighted our college life.

Our first four weeks on the campus were spent in appreciation of our inferior position. At the end of this "gala" period . . . official welcome into college society by the upperclassmen in the gym initiation. Having survived this occasion, we went on to win two out of three Homecoming games . . . obtaining freedom.

After settling down for a long winter of study, we soon found Christmas upon us . . . Long hours of fun and work decorating the bus stop. This put us in the holiday mood which ended in a welcomed vacation. Back to work again and soon the job of All-Class Night skits loomed before us. All four skits were equally enjoyed, and although we didn't come in first, we all enjoyed the work spent on this project.

Soon it was finals time, and we were all pitched into a frenzy of review. The inevitable end of our first year loomed nearer . . . Soon we were packed and ready for a short three months of vacation.

Our sophomore year began in a flurry of activities. There was the largest freshman class in Juniata's history to properly initiate. It was a pleasure to be on the offensive instead of the defensive side. Our elections of class officers proved once more that our college is run on a democratic basis.

May came, with the pageantry of the May Day celebration climaxing our Spring term. Finals again were upon us. And now, here we are, with two successful years of college behind us. We're halfway to our goal . . . we're looking forward to the events of the next two years, hoping they too will be successful.

Sincerely

The Sophomore Class

FRESHMEN, CLASS OF 1963

Huntingdon, Pennsylvania

Dear ALFARATA,

An ambition realized . . . the goal of attending college finally achieved . . . College Hill was invaded by the class of 1963 . . . in fond reminiscence we will always recall . . . the uneasiness of Freshman days . . . our "unfair" persecution by those upperclassmen . . . wearing regulations . . . sentences handed down by Freshman Court . . . the revolt . . . our anticipation of the President's Tea and the Faculty Reception . . . football games . . . Mountain Day . . . the long wait 'till Homecoming . . . when we finally won . . . the end of "regs."

Then our first Christmas at Juniata . . . the JCA party . . . decorations . . . dances . . . a gala festival never to be forgotten.

Finals loomed above us but with the determination which only a frosh knows . . . we attacked them . . . we won.

All-Class Night was soon upon us . . . our first formal competition with the upperclassmen . . . we had a wonderful time . . . we made a real good showing next to the experienced hands . . . namely, the upperclassmen.

Our first May Day . . . a first-hand trip to that fiftieth state . . . Hawaii . . . Juniata. A day of all days to remember . . . a gala festival which was a perfect climax to a perfect year.

The future beckons . . . three short years lie ahead of us . . . a world of opportunity for happiness and for knowledge.

Sincerely,

The Freshman Class

We really have a housing shortage . . .

Beds must be made by noon.

A lady is never without her hat.

1. No use looking at your room-mate . . . her closet's full too. 2. All that shaving cream wasted on upperclassmen. 3. Yo ho, heave ho. 4. I looked at all that stuff—and it tired me out. 5. That looks like an awful lot of candles. 6. Juniata's answer to Zsa Zsa Gabor. 7. But there's no room in the bookcase for books. 8. Short shorts are not allowed on the tennis courts. 9. Botanists perhaps?

1959 GRID SEASON

The footballers, under head coach Ken Bunn and assistant coach Ernie Post, ended another remarkable season on College Hill despite a card-closing loss to Albright that ended a 27-game undefeated streak.

The Indians who have been undefeated in their last five out of seven campaigns and have compiled an inevitable 50-2-2 record in this era added seven more scalps, including victories over Westminster, Alfred, Moravian, Lycoming, Western Maryland, Scranton, and Drexel before suffering the 14-0 defeat at Reading.

Paced by co-captains Bill Berrier and Bob Solomon, the Tribe brought the all time grid log to 130 wins, 128 losses and 13 ties. This is the first time that the number of wins has outweighed the losses in the history of the school.

Six other seniors: Jim Berrier, Al Dungan, Harold Krause, Frank Rocco, Bob Schwalenberg, and Dick Johnson helped make this possible with a fine 27-2-1 record in their four year stay at Juniata.

The tradition of winning and desire and determination on the part of the entire team were the biggest assets for another grid season on College Hill.

1959 UNDEFEATED CROSS COUNTRY TEAM

If improvement is a measure of success, then certainly the cross-country team was the most successful athletic unit at Juniata College this year. Six returning lettermen and a record of 14-1 in the win-loss column over the previous three seasons gave rise to a pre-season optimism and a fine season was anticipated.

Paced by junior, Don Layman, the Harriers rambled through the third successful unbeaten season. The team showed more depth than any of the teams in the past; an essential factor to the success of the team. Junior Galen Heckman, Sophomores Chuck Mack and Ned Smith, Freshman Bob Berthold, and Senior captain Frank Hrach paced the powerful wallop behind the constant and outstanding performance of Layman that produced the one-two punch allowing the Indians to run their win string to 18. Sophomore Dave Samuel and Seniors Milt Chew and Jim Petit rounded out the mainspring of coach "Mike" Snider's charges.

The fitting climax to the successful season was made at the Middle Atlantic Conference Championships when the Indians placed third among the twenty colleges represented, all of the schools having larger enrollments than Juniata. Beaten only by St. Joseph and La Salle, both of Philadelphia, the Indians were the top small college team in the conference. The all-time record now stands at 21 wins and 1 loss.

The basketball unit, under the capable direction of Coach Arnold "Doc" Greene, battled probation as well as stern opposition and thus endured a long season winning only three of the first 13 contests.

Hampered greatly by the deficit of last year's leading scorer, senior captain Don Burnich, an attack of the virus inflicted several members of the varsity squad. The Tribe managed to win only two games in the first semester.

The loss of high-scoring freshman sensation, Johnny Long, and the team's leading rebounder, Steve Gerlock, at this point added more embarrassment to the Tribe's losing efforts.

With the return of Burnich at the start of the second semester, the Indians got off on the right foot defeating Scranton but then were overcome by basketball powers—Westminister, Albright, American and Wagner in succession.

Playing with only one senior, one junior, two sophomores, and four freshmen, the Indians displayed a hustling brand of ball and gained much experience in preparation for their future years of basketball competition here on College Hill.

WRESTLING

The Juniata wrestling squad, captained by Dave Helsel, put up a good showing against some tough competition this year. This is the first year for wrestling as a school recognized sport. The Indians, coached by Jack Vanneman, have only two seniors, Dick Hiltner and Jim Berrier, and therefore bigger and better things are in store next year. There are several standout freshmen who will be around to help; they are Ken Harkcom and Jim Leimer. The line is as follows:

133 lbs. ..... Martin and Keiser

1959 TRACK TEAM

The 1959 track season at Juniata was a little brighter than the 1-5-1 win-loss-tie record would indicate. Hindered from the outset by ineligibilities and injuries the thinclads made most of their opponents work hard for the victories they eked out. In three instances the meet victory was undetermined until the last event. These meets could have gone either way, but unfortunately the opposition constantly outlasted JC's striving forces. The surprise of the season came in the opening meet when Coach Snider's men tied a highly rated Gettysburg squad.

The top five point gatherers during the 1959 campaign were: Frank Hrach, distance thrower, 58; George Patrick, sprinter, 41½; Terry Digruttolo, sprinter, 40; Dick Johnson, field events, 38, Ray Trimmer, middle distance, 31. Dick Johnson coped a fourth place in the Middle Atlantics Conference javelin throw for the only Juniata score in that event. The J. F. Gehrett Award for the most outstanding performer went to Frank Hrach.

GOLF 1959

The 1959 edition of Juniata's golf team was a pleasant surprise to all concerned, especially Coach Bill Germann. With returning lettermen Jay Gettig and Steve Gerlock, plus two excellent sophomores, Jack Vernocy and Jim Williams, the team compiled a fine 9-4 win-loss record. These four, who played consistently around par, plus Ray Erney, Dave Amey, and Ben Rose, who likewise played steady gold, made a very enjoyable year.

Individually, Jay Gettig for the third consecutive year won the C. Blair Miller Award as the outstanding player of the year. He also was the winner of the NCAA Award college tournament held at Mount Union. Jack Vernocy finished a strong record at the same NCAA meet and only a mistake on a scorecard prevented the squad from winning team honors.

All in all it was an extremely successful season with possibly even better things in store this spring with the entire team returning.

1959 TENNIS

Mr. James Thomas, art instructor, took the reins as team mentor last season and did a remarkable job of building team cooperation, competitive spirit, and player ability. The team showed steady improvement and defeated Elizabethtown and St. Francis.

Sophomore captain Jack Merrill and junior M.V.P. Award winner Ray Pfrogner who returned to Juniata from the U. S. Navy were the mainstays of the team and Dick Ott, Pete Christie, Don Burnich, Jim Leer, and Mike Pentz rounded out the roster.

The 1960 season looks like a bright one with five returning lettermen and several good new men to rely on. Senior Wayne Patterson is counted on to help bolster the squad. "Chick" Weist has been working out with the team and is looking forward to a good year. Mike Pentz, Dave Barr, and Dick Snyder will add valuable depth and make this spring's prospects look quite promising.

1959 BASEBALL

Led by hard hitting sacker Don Ross and shortstop Jim Berrier the 1959 edition of the Indians baseball team wound up the campaign with a 7-6 won-loss log.

The tribe after losing the opener to Shippensburg 12-4, went on a win spree by downing seven of the next nine oponents. The last three contests all saw the Indians on the wrong side of the ledger. In the victory column the Tribe downed Lock Haven 9-3; Washington 7-2; Elizabethtown 14-1; and Susquehanna 6-1. The Tribes six losses were at the hands of Shippensburg 9-3; Bucknell 18-11; Upsala 13-5; Lycoming 8-7; and Pitt 13-4. The weatherman caused the cancelation of two games, Millersville and Albright.

The three big men with the sticks were Don Ross who finished with a .418, Jim Berrier with .407, and Bill Berrier with a .323 clip. With only one senior and four juniors, Coach Bunn is in the process of building. Mr. Bunn had to go with a few freshmen in the starting line-up last year. With the additional experience this year's team is really going to give the opponents a rough time.

ACKNOWLEDGEMENTS

The ALFARATA Staff of 1960 has tried to present in a colorful and meaningful way, what "our college" has meant to us, and to give a picture of the memorable events of the past year. We have tried to tell "our story" in such a way that it will be enjoyed by you now as the JC'er in the picture is and that it will be carried into the future as a constant reminder of College Hill.

The Editor wishes to thank all those who are responsible for making this book the success we hope it will be. Especial thanks go to Jim Shoenthal and his fine staff of photographers who devoted many hours to the taking and developing of the pictures which appear in this book. I also want to thank Mr. Barger, our commercial photographer, for his fine work and cooperation.

Thanks also go to Ruth Diehl who whipped her writers into action; Joe Collins and his money makers; Ed Sobieray who with his staff caught all the highlights of JC's sports; Cathy Ditlow and her keyboard wizards; and Doris Whitecar, Judy Dinning, and Nancy Werner who had to worry about the spellings of all those names. We can't forget Carolyn Wiant and her captions under all those pictures, Suzy Stiffler and all t h o s e drawings and headings.

We hope that next year's staff will have a successful year, and that they will enjoy, as we have, working together to produce Juniata's yearbook.
